

Our Story

“Thank You” from the President of the Board

Recently, the Board of Directors of Northwest Theological Seminary had the privilege of talking by phone to a good number of our contributors. The Board wants to thank you for the many words of encouragement and for your monthly and yearly pledges in support of the Seminary for the coming school year. As a result of our conversations with you, the Board has determined to go ahead with the hiring of Mr. Brian Belh to be the new Director of Development for NWT S.

Brian, his wife Kirsten, their son Liam and their newborn baby girl Elena will arrive in Seattle sometime in the first half of September and Brian will begin his work on September 15th. Please continue to pray for Brian and his family as they make the move across country and get settled into the area. Pray also for his work as he becomes more and more acquainted with the Northwest campus and takes up the work of meeting and getting to know many of you better and the important work of recruiting new students.

Northwest is committed as ever to serve Christ and to serve Christ's church. It is our continued prayer that God will be pleased to make use of Northwest for the training of ministers and preachers of the gospel of our Lord Jesus Christ and that this effort will be used by Christ to build his church. Thank you for entering into this effort together with us through your prayers and support.

—Rev. Larry Semel

Introducing Our New Director of Development

Brian Belh will be arriving with his family in Lynnwood by September 15. The Belhs are coming from a year-long internship at Grace OPC, Sewickley, Pennsylvania (Dan Knox, Pastor). Brian is a licentiate of the Orthodox Presbyterian Church (Presbytery of Philadelphia) and is a Ph.D. candidate at Westminster Theological Seminary, Philadelphia. His fund-raising experience for Ohio Right to Life as well as his work in congressional (Ohio) and senatorial (South Carolina) campaigns has equipped him with enthusiasm for expanding the work of Northwest Theological Seminary.

The Board of Directors and the seminary Faculty are delighted to welcome Brian and his family to the ministry of the seminary. Please pray for them as they relocate to the beautiful Pacific Northwest.

In preparation for Brian's work, we have enclosed a card in order to ask you to jot down your name, current mailing address, phone number and e-mail address. Please take a moment to write down this information, enclose it in the self-addressed stamped envelope and return it to us. If you wish to include a donation, we will gladly acknowledge your kindness with a tax-deductible receipt.
